END OF SALE

Conditions of Sale

Southams (herein called the Auctioneers) will not be responsible for any loss, damage or injury occasioned to or sustained by any person during the period of public viewing and at the Auction Sale, howsoever the same may arise unless arising from the negligence of any employee of the Auctioneers.

1 AGENTS FOR DISCLOSED PRINCIPLE:

The Auctioneers act in every respect relating to goods and the sale thereof as Agents only of the person or persons (herein called the Vendor) by whom the Auctioneers are authorised to sell such goods as may have been deposited with them for that purpose. The Buyer acknowledges that any liability arising under these terms and conditions of sale and purchase is the liability of the Vendor only and not that of the Auctioneers.

2 DESCRIPTION:

Every effort is made to ensure the accuracy of any statement as to authorship, attribution, origin, date, age, provenance and condition of any lot whether or not such statement forms part of the description of any such lot. Whether any such statement is made orally or in catalogue it is an expression of opinion given after careful consideration. It is not and all prospective Buyers acknowledge that the particular Auctioneer conducting the sale may at such sale and at his discretion modify any description or statement in the catalogues. Such modification whether given orally or in writing is a statement of opinion and is not and all prospective Buyers acknowledge that it is not to be taken as being a statement or representation of fact. All prospective Buyers acknowledge that any such modification is given as Agent for the Vendor who alone shall be liable therefore.

3 THE AUCTION:

- a) The Auctioneer has absolute discretion to divide any lot, to combine any two or more lots or to withdraw any lots from the sale, to refuse bids, regulate bidding, or cancel the sale without in any case giving any reason or without previous notice. He may bid on behalf of the Vendor for all goods which are being offered subject to reserve or at the Auctioneers discretion.
- b) The highest bidder shall be the Buyer except in the case of a dispute. If during the Auction the Auctioneer considers that a dispute has arisen, he has absolute discretion to settle it or re-offer the lot. The Auctioneer may at his sole discretion determine the advance of bidding or refuse a bid.
- c) Each lot is put up for sale subject to any reserve price placed by the Vendor. Where there is no reserve price (but not otherwise) the Vendor has the right to bid either personally or by any one person (who may be the Auctioneer).
- d) The Vendor or the Auctioneer on his behalf may without disclosing any reserve price withdraw from sale any lot before it has been sold.
